VISIT TIMOR-LESTE

We've been visiting Timor-Leste for several years showing movies across the island nation and in the smallest of villages and have fallen in love with the country and it's wonderful people now we'd love to share the experience with you.

We will help you book your trip, just reach out to us at the Sun Theatre. We will refer you for the recommended flights and explain what to expect and help you choose a package.

Once you are in Timor-Leste, from the moment you land until it's time to fly home, the hugely experienced team at Timor Adventures will take care

of you. They have been leading the way with small group tours of up to 4 people, connecting with locals and seeing the sites with local guides. The founders, Shirley and Dave, are even previous Yarraville locals.

While in Dili you'll stay at our Beachside Hotel, on the glorious sands of Areia Branca, a gorgeous lagoon, with Dili's only sandy beach. Elsewhere you'll be in hotels, home stays and eco resorts, depending on your itinerary.

Payment can be made by card, cash or EFT in Australian dollars. The currency in Timor-Leste is the US dollar.

Travel details:

We recommend flying from Melbourne to Dili via Darwin on Sunday's or Monday's. Return on Wednesday, Friday or Saturday. These are the day time flights that connect well - other days involve overnighing in Darwin.

Visa on arrival is available for Australian, New Zealand and European Passport holders.
